

Short Course - First Aid and CPR Officer

ASMI

This short course describes the skills and knowledge required to provide a first aid response to a casualty and to perform cardiopulmonary resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) Guidelines.

The unit applies to all workers who may be required to provide a first aid response and CPR in a range of situations, including community and workplace settings.

EMPLOYMENT PATHWAYS

Workplace First Aid Officer, Community First Aid Officer.

EDUCATIONAL PATHWAYS

After successful completion of this course, students may have the opportunity to progress into other qualifications or programs with ASMI.

MATERIALS REQUIRED

Students are required to have access to a computer with suitable word processing software and will require access to the internet for research purposes.

COURSE CREDIT

Credit may be assigned for the recognition of equivalence in content and learning outcomes between different types of learning and/or qualifications. Credit reduces the amount of learning required to achieve a qualification and may be acquired through Credit Transfer or Recognition of Prior Learning (RPL).

ENTRY REQUIREMENTS

There are no formal entry requirements for this course.

DELIVERY MODELS

Classroom Based - offered in Queensland, classroom based (combination of training and assessment delivery methods, including written assessment, portfolio of evidence and practical observation), 1 day full time.

RPL - offered in Australia, external based (combination of assessment of written evidence, practical observation and competency conversations), duration and fees will be determined by quality of evidence submitted and amount of gap training required. For more information on the RPL process please visit our website asmitraining.edu.au.

FEES AND FUNDING ARRANGEMENTS

Classroom Based (Fee for Service): Administration Fee: \$30.00, Tuition Fees: \$110.00.

UNITS

Students must successfully complete both units in order to achieve this short course:

- HLTAID001 Provide cardiopulmonary resuscitation
- HLTAID003 Provide first aid
